*Angelo Morinello*

the huge success with the 2023 summer reading challenge, "All Together Now"! I am so proud of every student who signed up this past year and for demonstrating their eagerness to learn. We had record breaking numbers this year and it shows how amazing our schools, teachers and community truly are. In coordination with New York State Libraries Summer Reading Program, our goal is to always inspire kids to read regularly throughout the summer break. I look forward to this year's summer reading challenge and am hopeful we will continue to empower our children to be successful. As always, happy reading!
