# Assemblymember Karen McMahon is *helping bring critical resources to Pendleton*

Assemblymember Karen McMahon and Pendleton Town Supervisor Joel Maerten at the current salt storage facility.

McMahon secured \$250,000 to support projects in the Town of Pendleton, including:

- *The construction of a new salt storage shed* to replace the old facility, which would ensure the town is prepared for winter storms.
- *The installation of an emergency standby generator for the Public Works Department*, which would provide power in the event of an electrical outage and ensure emergency services still had access to fuel.

McMahon also secured \$20,000 in additional funding for the Starpoint Central School District.
