# Meet our new Assemblyman, **JOE SEMPOLINSKI!**

Joe brings a wealth of knowledge and an outstanding history of public service to the Southern Tier, and he is ready to get to work for everyone in our community. Joe previously served as a US Congressman, where he fought for rural New York. He was also the Chief of Staff for his predecessor, Assemblyman Joseph Giglio.

**Joe is a lifelong resident of the Southern Tier and is absolutely devoted to his home, his family and his neighbors. As it was in Congress, his mission in the Assembly is to:**

- ★ Fight for your Constitutional rights
- ★ Cut wasteful government spending and bring down inflation
- ★ Reject any proposal that prioritizes criminals over crime victims
