# HELPING OUR COMMUNITY THRIVE

## *SUPPORTING MEASURES THAT WOULD:*

### **REDUCE HIGH ENERGY COSTS (A.6260)**

Require the Public Service Commission to commission an independent, third-party cost-benefit analysis of renewable energy mandates under the Climate Leadership and Community Protection Act, ensuring energy policies are grounded in transparency, reliability and affordability.

### **IMPROVE SCHOOL SAFETY WITH SCHOOL RESOURCE OFFICERS (A.6733)**

Allow nonpublic schools to seek state reimbursement for school resource officers, helping districts hire experienced active-duty or retired law enforcement officers to protect students and staff.

### **GET GOVERNMENT SPENDING UNDER CONTROL (A.2085)**

Prevent the Legislature from recessing after the start of the state fiscal year until a budget is passed, holding Albany accountable and ending late budgets.

### **MAKE EVERYDAY LIFE MORE AFFORDABLE (A.7417)**

Cut state taxes on gas and diesel, and eliminate sales tax on everyday essentials like personal care products and household supplies to lower costs for New Yorkers.
