NOTICE OF PUBLIC HEARING

SUBJECT: Gateway Program Update

PURPOSE: To examine the Gateway Program's progress

NOTE NEW DATE

New York City

Monday, December 13th, 2021
Assembly Hearing Room, 19th Floor,
250 Broadway, New York, New York
10:00 A.M.

The Infrastructure Investment Jobs Act, recently passed at the federal level, provides significant funding for Gateway Program projects in New York and New Jersey. The Gateway enacting statute stipulated that either state may hold up to two hearings on the progress of the Gateway Projects per year. The Committee will hear testimony on the Gateway Program's progress on its capital projects, as well as to examine how the costs and funding of such projects will be allocated between New York, New Jersey and other parties, including Amtrak. The Committee will also seek testimony on how this funding will be dispersed among Gateway's various projects.

Persons wishing to present pertinent testimony to the Committee at the above hearing should complete and return the enclosed reply form as soon as possible. It is important that the reply form be fully completed and returned so that persons may be notified in the event of emergency postponement or cancellation.

Oral testimony will be limited to five minutes' duration. In preparing the order of witnesses, the Committee will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the attached reply form or communicated to Committee staff as early as possible.

Ten copies of any prepared testimony should be submitted at the hearing registration desk. The Committee would appreciate advance receipt of prepared statements.

Attendees and participants at any legislative public hearing should be aware that these proceedings are video recorded. Their likenesses may be included in any video coverage shown on television or the internet.

In order to further publicize these hearings, please inform interested parties and organizations of the Committee's interest in hearing testimony from all sources.

In order to meet the needs of those who may have a disability, the Assembly, in accordance with its policy of non-discrimination on the basis of disability, as well as the 1990 Americans with Disabilities Act (ADA), has made its facilities and services available to all individuals with disabilities. For individuals with disabilities, accommodations will be provided, upon reasonable request, to afford such individuals access and admission to Assembly facilities and activities.
