NOTICE OF JOINT PUBLIC HEARING

SUBJECT: Criminal Justice Data

PURPOSE: To examine recent data regarding crime statistics and ways to improve data collection.

**Monday
January 30, 2023
10:00am
Hearing Room B
Legislative Office Building
Albany, New York 12248**

ORAL TESTIMONY BY INVITATION ONLY

New York State has made efforts in recent years to improve data collection and reporting regarding criminal justice statistics. However, data that lacks context is unhelpful in understanding what the information and trends within the data actually mean. The purpose of this hearing is to better understand recent statistics regarding the criminal justice system. The hearing will also examine what additional information may be needed to inform this understanding, and how the Legislature can use this information to expand or implement responsive solutions to emerging trends in crime statistics in a more effective manner.

Oral testimony will be limited to **10** minutes' duration. In preparing the order of witnesses, the Committees will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the attached reply form or communicated to Committee staff as early as possible.

Ten copies of any prepared testimony should be submitted at the hearing registration desk. The Committees would appreciate advance receipt of prepared statements.

Attendees and participants at any legislative public hearing should be aware that these proceedings are video recorded. Their likenesses may be included in any video coverage shown on television or the internet.

In order to further publicize these hearings, please inform interested parties and organizations of the Committees' interest in hearing testimony from all sources.

In order to meet the needs of those who may have a disability, the Assembly and Senate, in accordance with their policies of non-discrimination on the basis of disability, as well as the 1990 Americans with Disabilities Act (ADA), have made their facilities and services available to all individuals with disabilities. For individuals with disabilities, accommodations will be provided, upon reasonable request, to afford such individuals access and admission to legislative facilities and activities.
